PROJECTS

July 2023 | TechTalent | *https://stark-atoll-54183-6f5d9962b281.herokuapp.com/*
- Full stack web application that allows users to browse, save and manage job applications.
- App follows the MVC paradigm in its architectural structure.
- Uses Handlebars.js as the templating language, Sequelize as the ORM, and the express-session npm package for authentication.

May 2023 | MealFlick | *https://vlada-caban.github.io/meal-flick/*
- Web application to generate movie and meal recipe recommendations from Third-Party API's
- Uses HTML with Bootstrap framework, custom CSS and JavaScript powered by jQuery.

EXPERIENCE

Oct 2014 - Present | SPARC GROUP LLC (Aeropostale/Nautica Division)

Director of Sourcing and Production (Apr 2021 - Present)
- Overseeing sourcing and product development for Denim and Woven Bottoms.
- Creating seasonal allocation strategies, negotiating product costs, and driving product improvements.
- Constantly looking for solutions to improve business processes, product execution and cost.

Associate Product Manager -> Product Manager -> Senior Product Manager (Oct 2014 – Apr 2021)
- In the span of 7 years grew in my role from Associate Product Manager to Senior Product Manager by showing my willingness to learn, adapt to changes and take on more responsibilities at every opportunity.
- Partnering with vendors, internal Design, Planning and Merchandising teams to develop seasonal products from initial sourcing to delivery to the store.

2013 - 2014 | Celebrity International

Production Coordinator
- Partnering with sales and design teams to ensure on-time product development and bulk production. Working with overseas factories on final production approvals. PO entry in AS400.

EDUCATION
